**Please Read** - nobody is deliberately left off the rota, if your name does not appear on this list, or if you would like to join, please advise Charles Royden. We are delighted to welcome new people. It is assumed that those leading prayers will also read lessons, **however they will be asked only when we have used all those who wish only to read.** If you are unable to complete a duty for which you are time-tabled, please arrange for somebody else. When arranged please alter the master timetable on the noticeboard in the foyer.

**Thank you all very much for helping with our worship in this way**
