St Mark's Rota

Please see below the names of those people who are currently on the list as volunteers to help with various responsibilities associated with our services. We are always delighted to welcome new volunteers so please do encourage anybody you know who may be willing to help and speak with a member of the Leadership Team.

Bible Readers

1. Please speak clearly and not too quickly using either the Bible Notes from Partnership News or the Bible on the lectern.
2. It is helpful if you decide to use the Bible, to check with Partnership News beforehand to ensure that the readings are the same.
3. If you wish we can print large text versions of you which may be easier to read.

Prayers

1. Those reading prayers will be asked to also assist with Bible Readings once we have allocated all of those who only read.
2. When assisting with prayers, please remember to include the names of those recorded in Partnership News who have died
3. Please consider using the Lord's Prayer said in traditional form, when sung at communion we use the new language translation.
4. Please time your prayers beforehand as they should not usually take more than five minutes, if they are too long this can cause problems for the clergy when the service exceeds the hour
5. If using an unusual bidding and response, please consider asking for this to be included in Partnership News as it can make it easier for the congregation to remember the appropriate words.
